

# Faith Kigen

## Software Engineer

### ABOUT ME

Recently graduated with a Certificate in Software engineering from Moringa School. Proficient in programming languages such as HTML, CSS, React, Ruby, Ruby on Rails, and Sqlite3 with a solid understanding of data structures and algorithms. Strong problem-solving skills honed through academic projects and coding competitions. Eager to apply theoretical knowledge in a practical setting and contribute to innovative software projects. Quick learner with a keen interest in staying updated with the latest technologies and trends in the software development industry.

### PROFFESIONAL SKILLS

- HTML
- CSS
- React
- Ruby
- Ruby on Rails
- Github
- Canva
- Figma
- MailChimp
- Microsoft Work
- SQL/Sqlite3

### SOFT SKILLS

- Good Communication skills
- Problem-solving

### EDUCATION

2020-2022

Moringa School  
Certificate in Software Engineering  
2022-2023

Social Media College  
Certificate in Digital Marketing Intensive  
2023

### PROJECTS

#### Raising Together

May 2023

- Following the rate of poverty in Africa. My group members and I decided to come up with a website where one can volunteer to eradicate poverty in Africa. We used Ruby on Rails for the backend and PostgreSQL for databases and Ruby on Rails for the backend. The website is very friendly and easy to navigate through it.
- We did it for a period of one month with a group of 5 people.

#### Tasty Trail

April 2023

- We are a recipe website dedicated to providing delicious and healthy meal ideas.
- Our team of expert chefs and nutritionists work hard to ensure that each recipe is not only tasty but also packed with nutrients. Worked on a user-friendly website with a group of four members in a span of one week.
- Used Ruby On Rails for the backend and React for the front end.

### EXPERIENCE

February 2022-May 2022

PPRA, ATTACHEE I.C.T

- Installation of software and troubleshooting of desktop
- Installation of Operating systems
- Microsoft work such as MS Word and Excel.
- Reporting any software issue and non-functional pc or work beyond my ability to the I.C.T department.
