Digital Marketing

Design Focuses

M

Content Creation

Using Tools Such as Canva, I create content that resonates with the audience to take the next action.

Email Marketing

I am a results-driven email marketing specialist with a focus on creating impactful campaigns and driving measurable engagement. Proficient in Mailchimp I specialize in optimizing conversions and implementing targeted strategies.

Web Design

I create a responsive Webdesign using programming language such as HTML,CSS, and React that is user-friendly and easy to navigate through it
